1st July 2013

To whom it may concern,

I would like to recommend David Julve Gascón as a candidate for a position with your organisation. In his position as Spanish Teacher and responsible for the Spanish Department, David was employed in our school from 2011-2013.

David did a great job in this position as he fulfilled all the requirements needed to be one of our teachers at Fun Languages. He has been teaching a wide range of students (young learners to adults), namely international corporations. Furthermore, he was given the responsibility of preparing students for the international DELE Exams and managing the Spanish Department. I can also say he motivated his students by using fun and creativity activities in order to engage them at all times.

I have found David to be responsible and friendly. He can work independently as well as a part of a team. Moreover, he is flexible and willing to work on any project he is assigned to. He would be an asset to any employer.

Yours truly,
