To Whom it May Concern,

Elise Vanessa Blue worked at Singular Acadèmia d'Anglès during the 2016-2017 school year teaching children, teenagers and adults of all levels, both in the area of Cambridge exam preparation (particularly the First Certificate) as well as general English.

During her time at Singular, Elise has proved herself to be a dedicated and responsible employee, taking her teaching responsibilities seriously, always making an effort to adapt to the students' individual needs, while setting high standards for herself. She's also a reliable team player who is open to substitutions whenever necessary.

In addition to teaching, Elise has also effectively worked on a number of teaching support projects outside the classroom and has shown creativity and initiative. Furthermore, due to her kindness and supportive nature, she was able to quickly integrate into the Singular staff and establish respect and support with her fellow colleagues.

If you have any further questions regarding Elise's teaching experience at Singular, please do not hesitate to contact me.

Sincerely,

Tess Winiarski

Director of Studies at Singular Acadèmia d'Anglès
