To whom it may concern,

I highly recommend Eugenia for all of your Spanish/English learning needs. I've been learning Spanish with Eugenia for over 2 years now, and she has been an amazing help. I've been working with few teachers over the past 3-4 years, but Eugenia was by far the BEST. She's very patient and knows how to reach to different type of students. She also has a system of how to teach from an absolute beginner level. The balance between practicing (having fun conversations in Spanish) to learning new grammar rules is just perfect in my opinion. She turned learning Spanish into a very fun experience. I'm having a great time studying Spanish with her.

My usual work weekly's schedule is pretty busy, but Eugenia was always kind enough to make time to teach me Spanish. She's very punctual and taking her work's schedule and student's time very seriously. We've been studying both in person and online and regardless of the distance, the learning experience has stayed the same quality.

I'm very grateful for being able to study with Eugenia. I feel like she's pushing me to my maximum learning capabilities, and I'm making a great progress thanks to her teaching methods that she's consistently improving and changing based on the student's needs.
