

LETTER OF RECOMMENDATION

#9 Mount Clapham

St. Michael

6th April, 2022

Dear Sir/Madam,

It is with pleasure that I write this testimonial on behalf of Mrs. Ingrid Morales, whom I got to know in my capacity as Tutor 1, Barbados Language Centre, while working closely with her on a number of Spanish programmes including the Associate Degree Programme in Spanish for Business and Tourism, Spanish for Hospitality Students and Spanish as an elective subject.

As a native speaker of Spanish, Ingrid was, indeed, a great asset to the Department. She was always well prepared for her classes, punctual and efficient as a teacher. She was very well liked by both her colleagues and students .

I believe that Ingrid's mastery of both Spanish and English, her teaching expertise and experience make her an excellent candidate for any post involving the teaching of Spanish.
