Ciao José, Grazie per esserti registrato su coLanguage. Potresti caricare i contratti di lavoro stipulati quando hai lavorato come insegnante di portoghese, per favore? Grazie mille. Vittoria

Ciao, Vittoria e coLanguage team.

Non ho mai fatto l'insegnante di lingua sotto contratto. Ho sempre avuto alunni privati che volevano studiare con un insegnante madrelingua. Attualmente, come sono appena rientrato in Italia e non ne ho ancora nessun studenti qua, ho appena cominciato a lavorare con la piattaforma on line Preply, il vostro concorrente, ed è il loro link che posso inviarvi come prova che sono insegnante. C'è anche una recensione di uno dei miei studenti.

José is a phenomenal teacher. Through formal and informal education in school, the military, and the professional world, its easy to tell who has a natural talent for teaching. Jose is a natural. But the real benefit of working with José has been his genuine personality and sense of humor. Someone else may be able to teach you, but I promise you they will not be as fun.

The screenshot shows the Preply dashboard's calendar view for October 4-10, 2020. The calendar is a grid with days of the week as columns and time slots as rows. Two red circles are drawn on the calendar to highlight specific lesson slots. The first circle is around a light blue lesson slot on Monday, October 5th, from 09:30 to 10:30, labeled 'Giorgio'. A red text box with the text 'Le lezioni che ho dato oggi' (Lessons I gave today) has an arrow pointing to this circle. The second circle is around a light blue lesson slot on Wednesday, October 7th, from 09:30 to 10:30, labeled 'Giorgio', and a purple lesson slot on Thursday, October 8th, from 10:00 to 11:00, labeled 'Ryan'. A red text box with the text 'Lezioni già prenotati' (Lessons already booked) has an arrow pointing to this circle. The interface includes a sidebar with navigation options like 'Messages', 'My lessons', and 'Calendar', and a top bar with user profile information and currency settings.

Le lezioni che ho dato a solo un alluno finora.

Ciò è tutto che posso offrirvi per ora.

Comunque, se volete, posso anche darvi una vera lezione di prova, utilizzando materiali che ho sviluppato sia per una prima classe per studenti di lingua italiana che inglese.

Spero che possiate abilitare il mio profilo.

Cordiali saluti,

José Rubens
