Dear Hiring Manager:

I had the privilege to teach Faik Yesilyaprak in my Composition I course during Fall 2021. Faik was an enthusiastic and attentive student from the very beginning, and his spirit made teaching a joy. Faik was usually one of the first students to engage with questions and the course material, and his attention to the quality of his assignments, especially his essays, were spectacular. Faik truly cared about his education during the semester and expressed an impressive ability to self-manage and keep track of all course requirements. In addition, Faik's ability to convey abstract, complex thoughts and to support rhetorical claims is advanced and will surely pave the way for his future success in education and the workplace.

I enthusiastically recommend Faik to any organization that requires a determined, self-disciplined individual. Faik's energetic and kind personality makes working with him a great pleasure. I will be happy to answer any additional questions regarding Faik's engagement in my class. I can be reached at (936) 294-3732, or by email at wcw009@shsu.edu.

Sincerely,

William Whitmire
