RE: Letter of Recommendation

To whom it may concern

It is my pleasure to offer my recommendation for Ms Nozipho Cibane, ID number: 8512040613081 for any position you may have available at your company or institution. Miss Cibane was employed at MPC Connect, a division of MPC Recruitment, between July 2019 to January 2022 and has proven to be a conscientious and diligent employee.

MPC Connect is an online English-teaching platform and is an ever-changing industry that requires Language consultants to teach English lessons with skill and creativity. She has a good work ethic and as her manager, I have not had any issues with her with regards to discipline or attendance. Additionally, Ms N Cibane has been trained on various teaching platforms and is knowledgeable in several teaching methodologies.

I am confident that she will become an invaluable addition to your team as she has been to mine. Please feel free to contact me should you require any more information regarding Ms N Cibane.

Kind regards

Julian Ramulu
