E-mail : naweed23@gmail.com

I am enthusiastic, goal orientated and have a passion for learning and sharing knowledge. My Engineering major and working 4 years as a Teacher full and part time in both one-on-one and classroom based scenarios, Language collaboration boot camps and volunteering in outreach programs in Cape Town, South Africa has given me the critical analytical tools to assess the learners ability, their style of learning and motivating factors to fully tweak their inner potential.
