TO WHOM IT MAY CONCERN,

The undersigned endorses **MRS. BERNADETTE DALISAY O. DATUIN** for an online engagement in the company or organization this may be deemed appropriate.

Mrs. Datuin had served La Salle Green Hills foremost as a pre-school teacher, a reading teacher and eventually Coordinator of the Reading and Mandarin department of the grade school department. Additionally, she is a graduate of a Master's degree that best prepared her for administrative work and an academic leader. In the said tour of duty, she had rendered due diligence in delivering the tasks expected of her, to include, among others, the review and implementation of the curriculum, the roll out of special programs for Reading Recovery in-takers and the innovations for the enhancement of the reading program such as the oral reading sessions with guest resource persons from among the parents and professionals who are known to be reading enthusiasts.

In the area of Mandarin instruction, **Mrs. Datuin** had been instrumental in sustaining and expanding the program from what used to be a special interest segment of our curricular offerings into an integrated formula in the Lasallian education with respect to foreign language exposure. This was complemented by the organization of a cultural trip for select students and faculty in key districts of Mainland China.

As a member of the Principal's Council, Mrs. Datuin assumed peculiar tasks in ad hoc committee work that triggered policy making for the grade school administration, details of which can be disclosed by her during an interview that may be arranged by the company with her.

All these are distinctions attributed to her as a dedicated member of the Lasallian community, especially owing to her having earned service awards as well as special citations such as model teacher and recipient of the St. Benilde Teacher Exemplar award.

May this be a profound testament of her expertise and her possible contributions to your organization. Thank you.

In St. La Salle,

(Sgd.) **MR. JOSE RAMELLE E. JAVIER, MEd, PhD Cand**
