## Letter of recommendation

Anamaria Radu was teaching Romanian as a foreign language at the Otto-von-Guericke University Magdeburg during October 2016 and January 2017, to a group of beginner students at the Faculty of European Studies. I found her easy to work with and a personable individual.

She took full responsibility as a teacher. She put in time and effort to prepare materials and suit the student's needs.

Anamaria has good interpersonal skills and is easily understood by students. She carries out every responsibility well and in a timely manner.

I have no hesitation in recommending her to any future employer.

Yours faithfully

Prof. Dr. W. Renzsch
