To whom it may concern,

The bearer of this letter, Mahdi Shakeri (Passport No. U41625365), had been working as a full-time English teacher in Pingxiang University from 1<sup>st</sup> October, 2018 to 15<sup>th</sup> July, 2020.

During his working in our university, he taught undergraduates Oral English. Within this time he proves himself to be a responsible and valuable teacher. He can deal with the large sizes of classes and students with different English levels in the same class. He encourages students to learn independently and creatively. He is hard-working and completes his tasks to our satisfaction. Through his friendly manner to other teachers, he perfectly fits into our team.

Mahdi Shakeri has been staying in China for several years, so he can easily adjust the working life in our university and embrace Chinese culture. It is a great pleasure for us to work with him and we would like to take this opportunity to wish him every success for his future career. I would like to take the liberty of recommending him and wish him every best in all future endeavors.
