Teacher Diana is great! Our kids have only been doing lessons with her for 2 weeks but they have learnt so much already. Diana is great with the kids and teach them according to their abilities. She goes above and beyond to make the lesson exciting and fun for the kids. Highly recommend teacher Diana if you want to learn another language whilst having fun.

My son is a 12 yr. old, interested to learn Tagalog. My husband and I are busy so I decided to look for an online teacher. I know how important to find an excellent teacher for him so, he will not get bored and give up. Diane is an excellent teacher, my son's enthusiasm to learn more is a testament. He is improving in every lesson, three hours a week are not tiring for him. Learning Tagalog instead of playing games, it means he is enjoying it while learning.

Diane is a great Tagalog teacher. Her enthusiasm is true. She will provide appropriate lessons according to the student's progress. She will be the best partner for beginners, of course advanced learner also.
