

26th of May 2020

Prague, Czech Republic

I would like to here by confirm, Daniel Sywala M.A. was teaching Serbian in our language school in the period 2007 – 2011. He was teaching following classes: Serbian for beginners, Serbian for slightly intermediate, Serbian for intermediate and Serbian conversation. His classes included up to four students and it was a very good cooperation.

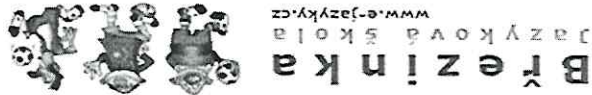

We still have his profile among our list of teachers.
