

The Consultants-E

EdTech Training & Consultancy

CERTIFICATE

This is to certify that

Justin Ehresman

has successfully completed the online training course:

Teaching One-to-One

During the course, participants learned about:

- the similarities and differences between teaching groups and teaching one-to-one
- an effective one-to-one teacher
- the importance of needs analysis and how best to prepare to teach one-to-one
- methods of sourcing materials and resources for your one-to-one student
- creating a course plan for a one-to-one learner
- a range of one-to-one teaching techniques
- different methods of delivering classes (f2f, online, via Skype/phone, etc.)
- dealing with error correction and feedback
- the importance of getting feedback and course evaluations from your students

COURSE LENGTH: Fifteen Hours

COURSE DATE: 12-26 February 2018

Helen Strong – Tutor
Tuesday February 27, 2018
