To Whom it May Concern:

It is my pleasure to strongly recommend Miss Kimberley Chivimbo for your online English Teacher position at coLanguage.

I am Mitch Tembo, a former colleague of Miss Kimberley Chivimbo. I have 3 years of experience working at Northmead Church Academy and have seen many great teachers come and go. Kimberley is one individual I have worked with who uniquely stands out. Kimberley has a number of strengths to offer an employer, and she is always interested in supporting others.

During Miss Kimberley's time as an assistant educator at Northmead Church Academy, she displayed great talents in managing her classroom, teaching concepts to all learning styles and developing a genuine love of learning in her students. When we first met, I was immediately impressed with Kimberly, but I was lucky enough to see her grow and learn as an educator as she began introducing innovative new teaching styles that we both saw make a difference in the way her students both behaved and learned.

Kimberley was a joy to work with because of her positive attitude and ability to never give up on a child. Her commitment and empathy were also necessary and valued not just by myself, but also by her student's parents.

I am absolutely confident that Kimberly would be a great fit for your English teaching position. Not only will she bring the kind of skills and experiences you're looking for in an applicant, but she will also quickly become an asset and help both your institution and your students grow in any way she can.

If you need more information or specific examples, please do not hesitate to contact me at 065 516 5956. As a recommendation letter likely only provides a snapshot of her talents and achievements.

Sincerely,

Mitch Tembo
