To Whom It May Concern:

I am writing this letter to affirm that Viktoriia Serhieieva (Vicky) is an excellent language teacher. She began helping me with my Russian studies two years ago, and now we have regular online tutorials twice per week, though her expertise is in teaching English.

Vicky is professional, talented, and enthusiastic. She has excellent grasp of languages and most importantly, how to teach them. Vicky is always prepared for our lessons and brings a lot of positive energy to them. My Russian has developed a lot in these last two years. She is fluent in Russian, English, and Ukrainian, and so is an ideal instructor for anyone wanting to learn any of these languages, especially English.

Please feel free to contact me by email (jms303@cam.ac.uk) or phone (+380635642399) should you have any questions.

Sincerely,

Jacob Stegenga
