

DEMI-LEE CUFF

PROFILE

My name is demi, I am a high-spirited and enthusiastic native English teacher. I have three years of English teaching experience, teaching school children from three years of age through to seventh graders. I am currently a Dramatic Arts teacher at a school in South Africa. My experience includes me travelling \broad to Thailand and Bangkok where I got to experience a whole new culture and share my passion for the English language among the local students. I have a strong passion for teaching and hold a lot of experience with English language. When it comes to encouraging non-native English speakers, I am patient, extremely supportive and kind. I have taught all four basic English skills to my learners of all ages, which includes, reading, writing, speaking as well as listening. Having the opportunity to share my experience and knowledge with you would be an honor as I can ho you my skills and share my passion with you and ensure you make tremendous improvements during your time with me as well as have lots of fun through singing, games and magic in-between as I believe there is a time for work and a time for play.
