Ms Anna Winiarska worked from June, 26th 2005 until November, 30th 2007 for the Berlitz language school in San Luis Potosí, Mexico as teacher for

English as a foreign language

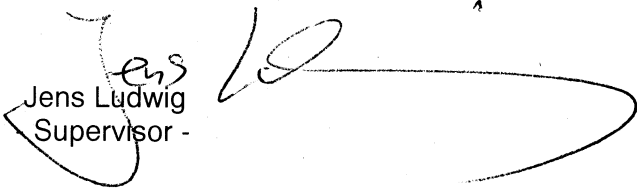

After a two-week training Ms Winiarska taught classes of different sizes and different levels on her own. She is competent, with a high level of empathy and creativity. The field of Ms Winiarska's responsibilities included lesson planning, implementation of classes, grade assessment, attendance at further seminars, organization and advising of English Conversation Club.

Ms Winiarska handled her teaching position with a professional and pedagogical expertise. Her style of teaching was open-minded yet firm; while interacting with her students, she succeeded motivating the students through her diversified activities and skillful management.

Her companionable and friendly manner and her committed and positive attitude were appreciated equally by co-workers, students and supervisors.

We would look forward to employ Ms Winiarska again in the future as a teacher.
