TEFL certified experienced tutor for IELTS, TOEFL and Basic Conversational English

 Teaches English language

 Speaks English **Native**

 405 lessons

About the tutor

I am an experienced English tutor specialized in IELTS and TOEFL exam preparation. My main focus is on speaking and writing section with additional focus on reading and listening. I offer a result oriented learning plan to achieve your desired score. The student will have homework after every lesson and ample opportunity to practice speaking during the lesson. I prepare a custom learning plan for every student depending on their present English level. I am an easy going and jovial personality and I make the lessons interesting by including real life examples. The student can expect smooth learning to achieve

Tapas is a very good English teacher and helps me with my IELTS study. I am taking lessons with him for my IELTS exam I think my abilities have improved step by step. IELTS has specialized technics, but he understands them. He is very patient and explain everything thoroughly. So I can recommend him as a good IELTS teacher.
