To whom it may concern:

CHRISS York has been a teacher on Verbling since March 24, 2020. Verbling is an online platform where language learners can take lessons with professional teachers. Verbling is incorporated and based in San Francisco, CA, USA, and any and all work done for the company by CHRISS York is carried out remotely (online). Our in-house staff vets every application from prospective teachers. Only those teachers who meet rigorous standards are accepted, ensuring high instruction quality for our learners. CHRISS York without a doubt, has exceeded our already high expectations.

Since March 24, 2020 and at the time of writing this letter, CHRISS York has taught 101 hours on Verbling. One hour of teaching time on Verbling is equal to 60 minutes. This letter serves as a written confirmation that CHRISS York is currently teaching online on Verbling as a teacher in good standing.

Please, do not hesitate to contact me should you have any questions or concerns.
