

To whom it may concern:

Pascale Alice van den Broek has been a teacher on Verbling since October 3, 2017. Verbling is an online platform where language learners can take lessons with professional teachers. Verbling is incorporated and based in San Francisco, CA, USA, and any and all work done for the company by Pascale Alice van den Broek is carried out remotely (online). Our in-house staff vets every application from prospective teachers. Only those teachers who meet rigorous standards are accepted, ensuring high instruction quality for our learners. Pascale Alice van den Broek without a doubt, has exceeded our already high expectations.

Since October 3, 2017 and at the time of writing this letter, Pascale Alice van den Broek has taught 2949 hours on Verbling. One hour of teaching time on Verbling is equal to 60 minutes. This letter serves as a written confirmation that Pascale Alice van den Broek is currently teaching online on Verbling as a teacher in good standing.

Please, do not hesitate to contact me should you have any questions or concerns.
